CARTE POSTALE.

TUCK'S POST CARD

POSTKARTE.

Cranbrook Castle. This castellated building, stated to have once afforded a night's lodging to Queen Elizabeth, is a landmark for miles around, standing as it does upon a hill. It was built in 1765 by Sir Charles Raymond, who erected it as a mausoleum for himself and his family. It was never put to the use for which it was intended, and the chapel, which forms part of it, was never consecrated.
